#### **Description:**

To drink nature in a glass of Champagne but also perfect in base of cocktail (melon, sweet pepper, raspberry ginger, lime...), Appolinaire L'Authentique will not leave you indifferent by the beauty of its bottle and its alcohol. Tradition, innovation, here is the first sparkling alcohol of the kind. Revisiting the traditional codes of Rum and Champagne, Appolinaire knew to make naturally sparkle the Rum without addition of Champagne nor gas contribution. Appolinaire is only elaborate with Rum of the French West-Indian selected carefully for its gustatory qualities. The flavor of rum (with its subtle and vibrating notes) is exalted subtly by the fine sparkling bubbles obtained naturally. It is a slightly distilled but mostly fermented rum. When intensity and delicacy meet for the most beautiful of weddings... Its surprising 12.7° of moderate alcohol will give you a balance between the character of rum and the freshness of natural bubbly. An explosion of flavors awaits you: At the tasting, its bright gold dress shiny is perfect. At the nose, a very flattering exotic aroma with the scent of rum and a delicate note of burnt sugar cane. In the mouth, the attack is sweet with a presence of almond bitterness and a dry return of rum... Fine bubbles obtained from a natural and traditional Champenoise method highlight the French know-how. This product will be served on a seafood dish, foie gras, a dessert (as well with fruits as on chocolate notes). Moreover, its stopper the Maestro was selected for the particular identity which it gives to the bottle while preserving the prestige of the bubbles. Here, Appolinaire L'Authentique does not
